¹ These roundtables were previously announced in a Public Notice. *See FCC Announces Series of Open Internet Roundtable Discussions*, GN Docket No. 14-28, Public Notice, DA 14-1152 (rel. Aug. 8, 2014). At that time, it was unclear whether the roundtables would be a “meeting” of the Commission. 47 C.F.R. § 0.601(b). As such, that public notice was not published in the Federal Register. *See id.* § 0.605(b). This Public Notice shall serve as notice that a quorum of Commissioners may be present at one or more roundtables, in compliance with Part 0, Subpart F of the Commission’s rules. This notice does not, however, change the “permit-but-disclose” status of the *Open Internet* proceeding under the Commission’s *ex parte* rules.
